

Most organizations are fairly ordinary and average. They provide good products and services, have decent processes, strategize and plan occasionally, and get “ok” results. But what does it mean to be excellent?

PERFORMANCE BREAKTHROUGH

*Presents a Facilitated Phone Discussion with guest speaker
Kevin Brimhall of JFD Performance Solutions*

ACHIEVING ORGANIZATIONAL EXCELLENCE

In this webinar on organizational excellence, you will:

- Learn why achieving it is so important
- Discover what an upside-down triangle has to do with your success
- Discuss what is critical to achieving the results you want
- Understand how everyone can play a part
